OSSÉ
FOOD ADDITIVE SUPPLY TEAM

Who we are

Company Name OSSE Inc.

Established February, 1994

Business Division Food and beverage raw materials supply
Soy milk sales (online only)
On-line Shopping mall Operations (Edaymall.com)

Vision

We have been steadily expanding our business by supplying food additives to group companies since 2012. Currently, we supply not only food additives but also commodities necessary for the entire food manufacturing process according to the requests of various customers. Our goal is to provide high-quality raw materials with professional and differentiated services, and further contribute to improving the health of ordinary consumers.

We are moving forward today as well.
